

Connectivity Working Group Meeting #1

Dots	Transit Solutions
15	Better transit: reliability, more routes, connectivity, more frequency
11	Community use of campus shuttles
10	Free metro rides with UC ID
9	Cashless system/prepay ticket on Metro
7	Create Crosstown, East Side, West Side routes with limited stops
4	Make Metro more attractive to ride
3	Expand and coordinate shuttle services
3	Carshare/ZipCar - market it better (Partner with Uber; Carshare/rideshare app exists - needs to be marketed better)
2	UC/institutions need to use their leverage for better transit/streetcar expansion
2	Better signage and maps for Metro
1	Higher UC parking rates
1	Better coordination of UC shuttle
0	UC shuttle system expanded to South
Dots	Bicycle Solutions
16	Bike lanes / routes / protected bike lanes and intersections
8	Reconfigure streets to make biking safer
8	Free Metro rides for uphill bike trips
0	UC should offer incentives for biking/transit/walking
0	Work with bikeshare
0	Provide helmets/ encourage the use of helmets
0	Group bike rides to encourage bicycling
Dots	Pedestrian Solutions
18	Raised crosswalks, crosswalks painted different colors crosswalks and/or crosswalks made of different materials
9	Better/More Lighting
4	Speed bumps for pedestrian crossings and intersections
4	Grade separated bikes/peds on MLK at intersections
3	Curb bumpouts
3	Marketing campaign (rules about bikes, pedestrians, etc.)
2	Signage alerting of traffic laws
1	Clifton & Clifton Ct redesign for safer left turn and ped crossing
1	Limit/eliminate right-turns on red
0	Eliminate slip lanes (ex: MLK and Clifton)
0	Maintain sidewalks (owner's responsibility)
0	Pedestrian crossing timing should be longer
0	Countdown timer at crosswalks
0	Pedestrian signal time only (pedestrian scramble)
Dots	Traffic Solutions
13	Reduce speed limit (including traffic calming, limiting street width)
11	Construct a roundabout at MLK/Jefferson
6	Limit UC parking passes from nearby zip codes
5	Encourage other modes of transportation
3	Encourage carpooling with reduced price of parking
3	Commuter parking lots with shuttle system

1	Local traffic only in Calhoun/McMillan area
1	Remove parking restrictions (ex: no parking 4-6 pm)
1	Limit/discourage cell phone use while driving/walk. Cell phone-free area
1	Speed cameras
0	Wayfinding for visitors
0	Grade separation at intersections
